Dear Sir:

Applicants' Attorney of Record has received the Decision of July 29, 2003 denying the petition to withdraw the holding of abandonment in response to the *Notice of Abandonment* of May 6, 2003 in the above referenced case. Applicants respectfully submit that the Notice of Abandonment was issued in error due to the fact that Applicants' Attorney of Record never received the Office Action. Further, Applicants respectfully submit that Applicants, in contrast to the allegation presented in the Decision of July 29, 2003, did not submit a change of address back to Bren Road East on April 14, 2002. Thus, Applicants request that the holding of abandonment be withdrawn. The details follow.

Discussion

On January 10, 2001, Applicants' attorney of record filed an Information Disclosure Statement, PTO Form 1449, references and a Request for Change of Address, listing Altera Law Group, LLC, 6500 City West Parkway, Suite 100, Minneapolis, MN 55344.

The Decision of July 29, 2003 stated that Applicants submitted on April 14, 2002 a change of address changing the address back to Bren Road East.

Applicants' attorney of record respectfully submits that no such change of address was filed on behalf of Applicants.

Applicants' attorney of record respectfully submits that the change of address was caused by an employee of the U.S. Patent and Trademark Office that incorrectly updated the address for customer number 22865.

Applicants' attorney of record respectfully submits that many such files were affected before discovery of the unauthorized update of the address for customer number 22865.

Applicants' attorney of record respectfully submits that previous petitions for other applications have been denied, but later accepted and the issue corrected by Mr. David Scherbel of the U.S. Patent and Trademark Office at 703-308-1272.

Remarks

Because the abandonment was caused by error of the U.S. Patent and Trademark Office, Applicants respectfully requests withdrawal of the Notice Of Abandonment.

It is believed that this petition is timely filed under 37 C.F.R. §1.181(f) since the Decision was issued July 29, 2003 for the Notice of Abandonment received on May 6, 2003.

Additionally, it is believed that a fee is not required for this petition since the petition was necessitated by Patent Office error. However, permission is hereby given to charge Deposit Account Number 50-0996 (IBMS.027US01) a petition fee if the Office deems that such fee is required.

For the above stated reasons, Applicants respectfully request that the holding of abandonment be withdrawn and that notice of same be promptly transmitted to Applicant's Attorney of Record.

If a telephone conference would be helpful in resolving any issues concerning this communication, please contact Attorney for Applicants, David W. Lynch, at 651-686-6633 Ext. 116.

Respectfully submitted,
